

A Christmas Alleluia

Verse 1

Long, long ago on the first Christmas morn
In a cold lowly stable our Savior was born
There in the manger the holy child lay
So gentle, so tender, asleep on the hay

Alleluia -----

Verse 2

High in the East rose the heavenly star
To guide the three wise men who came from afar
The angels in heaven did gloriously sing
To herald the birth of the Savior, the King

Alleluia -----

Verse 3

Come let us worship this baby so small
This blessing so precious, God's gift to us all
Come join with the wisemen and angels above
To spread to all people His message of love

Alleluia -----
