

## **Storms**

1. We all run, we all stumble.  
We all feel joy and pain.  
And when the clouds start to rumble,  
Bringing wind and rain.  
What do we do when the storms get stronger?  
And we're not sure we can hold up for much longer.

### Chorus

We have storms on the outside.  
Storms on the inside,  
Storms that can make us feel so small.  
Through the lightning and thunder,  
When we doubt, when we wonder,  
Will we find the strength to make it through at all?  
Through the storms?

2. We all want, we all worry.  
We all feel strain and stress.  
And in our haste, in our worry,  
Life can be a mess.  
How do we grow?  
How do we learn from them,  
When we're not sure what it takes to overcome them?

### **Singing Through the Storms**

#### *"When Peace Like a River"*

Solo: When peace, like a river, attendeth my way  
When sorrows like sea billows roll  
All: Whatever my lot, thou hast taught me to say  
It is well, it is well with my soul.

Part 2: it is well.

Part 1: with my soul

Part 2: with my soul

All: it is well, it is well with my soul

#### *"Standing on the Promises"*

Standing on the promises that cannot fail.  
When the howling storms of doubt and fear assail  
By the living word of God, I shall prevail.  
Standing on the promises of God

Standing, standing  
Standing on the promises of God my Savior  
Standing, standing  
I'm standing on the promises of God.

#### *"How Can I Keep from Singing"*

My life flows on in endless song.  
Above earth's lamentation  
I hear the clear, though far-off hymn.  
That hails a new creation.

Chorus:

No storm can shake my in-most calm.  
While to that Rock I'm clinging  
Since Love is Lord of heav'n and earth  
How can I keep from singing?

End solo: How can I keep from singing?

**Inside-Out**

1. God's great love is shining in my heart  
Filling me with confidence  
We're never far apart.

Chorus

Shining through the day  
Shining through the night,  
Sharing peace and hope,  
Sharing love and light.  
When I feel it, then I have no doubt,  
'cause I know God loves me from the inside-out.

2. God's great love is shining in my soul,  
Comforting when I feel scared.  
God's always in control.

Bridge

Panic or anxiety,  
God is always there for me.

When I'm wand'ring far from home,  
When I'm feeling all alone  
God's love tells me I belong.
